RESPONSE AND AMENDMENT UNDER C.F.R. § 1.116(a)

This is in response to the Office Action pertaining to the above-referenced application, mailed April 19, 2006. Claims 1-20 are pending in the application. Claims 2-10 and 18-20 are allowed. Claims 1 and 13-17 stand rejected. Claims 11 and 12 are objected to. Applicants are canceling claims 1 and 13-17 without prejudice. In compliance with the Examiner's suggestion, applicants are rewriting claim 11 in independent form, including all of the limitations of the base claim and any intervening claims. Applicants believe the rewriting of claim 11 places both claim 11 and claim 12 in condition for allowance. Applicants, therefore, request the Examiner to: consider amended claim 11; and pass amended claims 11 and 12 on to allowance, along with previously allowed claims 2-10 and 18-20.

Please amend the above-identified patent application as follows:

**Amendments to the Claims** are reflected in the listing of claims which begins on page 2 of this paper.

**Remarks/Arguments** begin on page 7 of this paper.
